## 03 | General Terms & Conditions for Admission

### 01

The applicant must be a Saudi national or hold a valid legal residency permit before the commencement of study.

### 02

The applicant must hold an intermediate university degree or diploma (2 academic years or more) from a Saudi government or private university, college, or institute recognized by the Ministry of Education.

### 03

Applicants to health specializations must hold a valid Professional Classification Card issued by the Saudi Commission for Health Specialties.

### 04

Employed applicants must obtain preliminary approval from their employer before admission, and final employer approval upon acceptance.

### 05

The required English language proficiency score must be achieved as specified for each program (if applicable).

### 06

Specific program admission requirements must be fulfilled.

**07**

The previous specialization must be a direct extension of the applied-for specialization.

**09**

The university reserves the right to cancel admission in programs that do not reach the minimum number of students.

**11**

The applicant bears full responsibility for the accuracy of submitted data; acceptance will be deemed void if data is found to be incorrect.

**08**

Admission requests will be cancelled for nominated students who fail to pay fees within the specified period.

**10**

The overall GPA must not be less than 3 out of 5 or its equivalent.
